

## CONCEPT B - WSF

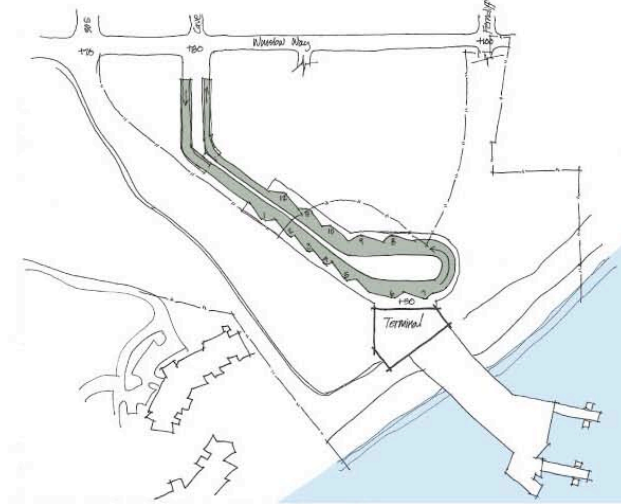

- Holding is elongated toward Winslow Way
- Access and egress to Harborview Drive is via new bridge through the edge of the Park and an alignment with Erickson
- Transit access and egress is from Cave Ave. Off-island buses go down to level 50. On-island busses drop off and pick up on level 70 and exit via Ferncliff.
- Kiss and ride enter on Ferncliff, park on the street edge and exit at Cave
- Bikes enter on 305/Winslow Way to Holding, exit from Vessel on North side of Holding
- Pedestrians enter at 305/Winslow Way move SE on a trestle and/or elevator to a bridge to the edge of the elevated Transit deck at +70.
- The Terminal Building is two stories with escalators, elevators and stairs connecting all pedestrian and transit/drop off levels.
